- Fits all speakers with 35 mm stand adaptor
- Pin for locking height adjustment is included
- Can carry a max load of 35 kg
- Leg blocking system to ensure stability
- Ceiling suspension

Product information:

CST450/B is lightweight speaker stand of which the height can be adjusted between 1100 and 1800 mm. The air suspension allows for easy height adjustments even while a speaker is mounted. Speakers with a 35 mm stand adaptor up to 35 kg can be mounted. A leg blocking system ensures stability while a steel locking pin is used to maintain the desired height.
