

TR3030

Toroidal audio line transformer 30W 100V

Product information:

The TR3xxx offers a range of line transformers with a power ranging from 30 Watt up to 480 Watt. There are different taps available for 50V, 70V and 100V lines and the low impedance side is selectable between 2 Ohm, 4 Ohm and 8 Ohm.

System specifications:

Max. Power	30 W
Connectors	20 cm cable

Product Features:

Dimensions	80 x 50 x 80 mm (W x H x D)
Weight	0.950 kg
Construction	Copper
