

# VCK526A

## Keystone CAT6A shielded jack idc termination 180°

### Product information:

---

The VCK526A/S is a Keystone data adapter with a shielded, female RJ45 connector on the front side of the module and a toolless cable connection on its back. The toolless, push-down contacts on the back are suitable for both stranded and solid inner conductors. This compact standardized snap-in module can easily be implemented in 45x45mm connection plates, CAYMON CASY modules or D-size holes.
